Whilst in Our Care

All Foundation & Key Stage 1 children will be collected from/taken to the Club from school.

Toys & Games

We would like to request that children do not bring toys from home. We have plenty of toys for all ages which children have access to.

Activities (including Specialist Sports & Dance Instruction)

Children will have the opportunity to take part in a variety of sports and dance activities delivered by professional instructors from Educ8.

The Club-ordinator and the play work team will also be organising various activities to keep the children occupied and engaged, and of course for those children just wishing to relax after a hard day at school - free play is always an option! ! We also offer to support the children complete their homework, however should they not wish to do it in club time their wish will be respected.

Every day there will be a 'Things we have done today' sheet on the parent's notice board. This will list the activities children have had the opportunity to be involved in and the food they have had for snack and tea.

Behaviour

The Club requires that all children's behaviour meets an acceptable standard. This means that should your child's behaviour falls below our standards it will be brought to their attention. If it fails to improve then you will be informed and the following process will be followed:

- First time - A warning will be issued
- Second time – A letter regarding unacceptable behaviour will be sent home
- Third time - Child will be suspended for a day this will be a day they are booked in the club
- Fourth time - Child will be suspended for a week
- Fifth time - Child's place will be cancelled

You will of course be consulted and kept informed at each stage.

Food & Drink

All of our food and drink has been carefully selected to offer a balanced and nutritious menu. We offer a tea-time snack (included in the price for children staying beyond 4:30pm) fruit and small snacks are available to all children.

We have a weekly menu where the snacks rotate weekly. Our menus are displayed on the Parents Information notice board.

Tea-time Snack

Although referred to as tea it is intended only as a snack to enable children to make it from school to going home for their main meal without getting too hungry. We will try to persuade children to eat something but if they are not hungry we will not force them to eat.
